

## Avery's New QuickPeel™ Laser Labels

Labels with a unique strip that allows for quicker and easier removal of labels from the backing sheet. Saves a considerable amount of time when preparing your mail.\*

\*Research conducted in Avery laboratories Brea, California, 2005

1. Tear apart along the dotted line

2. Peel strip backwards

3. Remove labels

4. Apply

L7156™ White

- Clear Labels virtually disappear when applied to white or coloured surfaces.
- Removable Labels are easily removed from any surface.
- Heavy Duty Labels stay in place on metal, glass, wood and plastic and are resistant to water, UV and grease.
- Glossy Labels give a quality finish to your labels and are specially designed for colour laser printing.
- Fluoro Labels capture attention and add impact.
