Label Faster. Mail Smarter. Look Sharp.

DYMO LabelWriter® 450 Twin Turbo allows you to increase productivity by having two rolls of labels ready to print at all times. Work faster and smarter with the new Dymo Label v.8 software, which enables you to create and print address, shipping, file folder, and barcode labels, plus name badges and more – all without the extra hassle of printing sheet labels on a standard printer.

Key Features: LabelWriter® 450 Twin Turbo

- Eliminate the hassles of printing sheet labels through a laser or inkjet printer.
- Increase productivity by having two rolls of labels ready to print at all times.
- Fast. Prints up to 71 labels per minute.*
- Energy Efficient. Features sleep mode for when machine is not in use.
- 600 x 300 dpi print quality for professional results.
- No expensive ink or toner. Ever.
- Sleek, compact design fits in any modern workplace.

Key Features: Dymo Productivity Software

- Multi-application. Print labels from within Microsoft Word, Excel and Outlook, Office Mac, QuickBooks and ACT.
- PC and Mac compatible.
- Integrated Address Book syncs with Microsoft Outlook and Mac Address Book Contacts.
