

Laptop Workstations

Creative Ergonomic and Organisational Solutions for the Way You Work Today

Laptop Supports help reduce shoulder, neck and eye strain by positioning laptops at a comfortable viewing angle. Each Laptop Support product is fully height adjustable so you can customise your laptop position and create more usable space on the desktop, leaving you to get on with your working day free from the risk of injury or pain.

Designer Suites Laptop Riser 8038401

- Places laptop at a comfortable height to maximise efficiency
- Stabilising front edge prevents laptop from sliding off unit and supports docked laptops up to 12kg
- Adjusts from flat to a 30° angle to suit viewing preferences
- Provides space for USB hub plus easy card management
- Cooling vents help prevent discomfort from laptop heat

Go Riser 8030401

- Ergonomically designed to raise the laptop screen in order to ease strain on the neck and eyes
- Promotes a healthier typing position when working with a laptop on your knees
- Ultra-slim design for easy storage and portability
- Opens like a book to activate the riser arcs
- Holds laptops up to 17"
- Air Ventilation with Heat Guard Flaps
- Non slip pads for secure positioning
