

DESIGNERS, MANUFACTURERS & WHOLESALERS OF QUALITY DESK ACCESSORY STATIONERY PRODUCTS

Italplast Pty Ltd is a 100% Australian owned family operated business.

The business has extensive expertise in product design, toolmaking and plastic injection moulding.

Since the introduction of Italplast in 1995, the company has developed a quality range of coordinated desk accessory stationery products.

Many of the products in the Italplast range have been designed, tooled up and moulded by Italplast in house.

The company is very committed to the basic business principles of enhanced customer service and satisfaction, supplying quality products, on time and at competitive market prices.

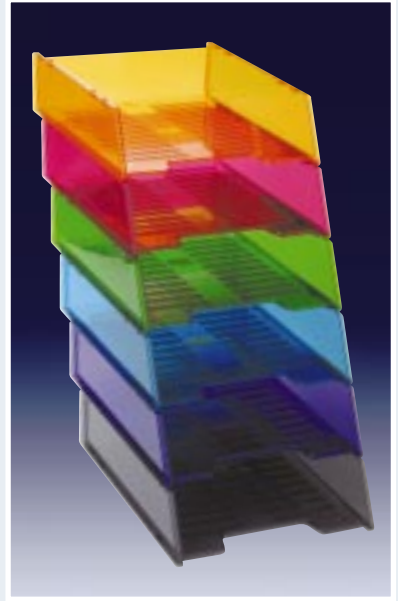

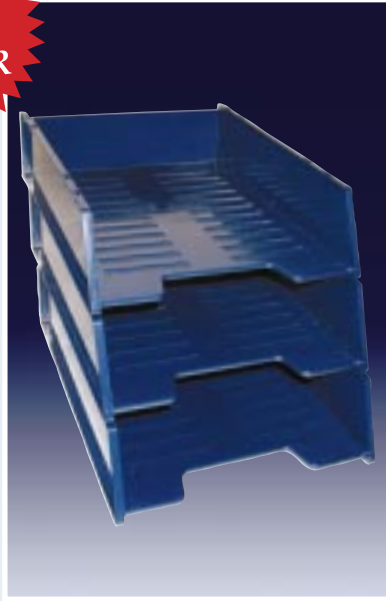

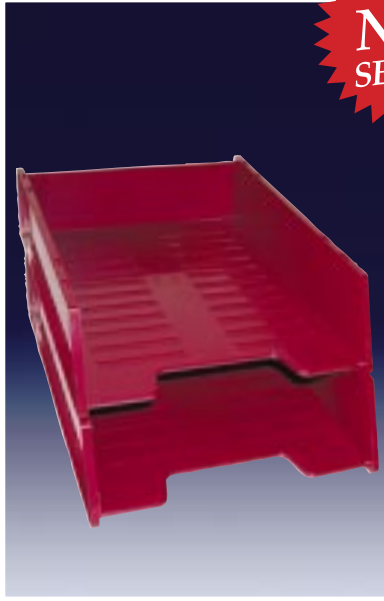

Our commitment to this has resulted in Italplast being a quality endorsed company to the International Quality Standard ISO 9000.

Our catalogue details all the information you require to make ordering and selling of our product range to your customer base easy and simple.

Should you require any further information or assistance, simply call, fax, email our office, or visit our website.

**OUR  
No.1  
SELLER**

Italplast Pty Ltd specialise in the design, manufacture and wholesaling of desk accessory related stationery products.

We are committed to customer satisfaction through the supply of quality products and enhanced customer service, on time and at competitive prices.

It is our objective to continuously improve our product quality, customer satisfaction and business practices.

*To achieve this we will:*

1. Actively maintain good management practices in line with a quality system complying with International Quality Standard ISO 9000
2. Remain committed to understanding and meeting our customers requirements
3. Encourage a desire amongst our employees to remain committed and 'customer focussed' in every aspect of their work performance.
